**EGBANK Tariff**

Dear Customer,

At **EGBANK**, we strongly believe that disclosure and transparency are the key to our success and to maintain a strong and healthy long-term relationship with our customers. Therefore, we do our best to make sure our customers are fully aware of the fees and charges incurred on their banking transactions and levied on the provided products and services. Our mission to keep our customers informed is reflected in all our products and services, as the Bank strives to communicate with its customers through clear and transparent means. Our highly professional Customer Service is also available to offer all necessary information and clarifications. To top it off, EGBANK has published clear and detailed tables of the Bank's various fees and commissions.

## General Conditions

- The charges and fees in this Price-list are applicable to the products and services of EGBANK and they are effective as of May 2025 (Version 2)
- Commission, fees and charges rates are standard and may be amended on special occasions. The present Price-list is subject to periodic review.
- EGBANK has the right to modify or change the fees and charges at its sole discretion after being published. New tariff will be made available on the Bank's website and the branches once the new charges become applicable.
- EGBANK will advise the customers of the changes hereto by means of:
  1. sending information in electronic form, or
  2. providing information in EGBANK branches, or
  3. including in the different means of communication with the customers, or
  4. publishing the updated tariff on EGBANK Website
- The exchange rate for foreign currency transactions shall be calculated upon the foreign currency effective rate on the transaction execution date unless it is stipulated otherwise in any other contract.
- The present Price-list includes the usual basic transactions of EGBANK. For this reason, it is recommended that Customers refer to the Bank officers prior to conducting any transactions not included in this booklet to ensure all fees and charges are clear and acceptable for the customer before processing the transaction/providing the service.
- Any fees or charges for any provided service/product not mentioned in the below tables will be made available upon request from the customer.
- All applied charges are predetermined in either EGP or USD. All fees and charges will be debited in the same account currency. In case the account incurs a charge with a different currency, the amount will be converted based on EGBANK effective exchange rate and deducted from the account.
- All the products and services listed below are subject to the terms and conditions included in the general and special agreements signed between the customer and EGBANK, especially the "Terms and Conditions for Opening and Operating a Bank Account"
- Other expenses such as stamps, postage, cable, fax charges, special courier charges ... etc, which are not included in this booklet will be charged where incurred
- For any pricing related inquiries, please revert back to your account Relationship Manager.
- No allocation commission is applied on foreign exchange transactions.

- Any correspondent bank charges/commissions for all types of transactions will be incurred by the customers and debited from their accounts in addition to EGBANK commissions
